*Degree Name -* ***Computer Science and Engineering***                          *Basar, Telangana, India*

**Rajiv Gandhi University of Knowledge Technologies  −  PUC  −  90%**          **2021**
                                                                              *Basar, Telangana, India*

**ZPHS Patherched E/m                        −  SSC  −  98%**                  **2019**
                                                                              *Narayanpet, Telangana, India*

## Carrer Objective

To leverage my academic knowledge and internship experience in software development to contribute effectively to a dynamic team. Seeking an opportunity to grow professionally, learn new technologies, make significant contributions to innovative projects, and advance my career in the field of software engineering.

## Coursework

- Data Structures & Algorithms
- Database Management System (DBMS)
- Building Static and Responsive websites
- OOPS Concept
- Web Development
- Soft Skills

## Technical skills

**Languages:** C++, Java, C, Python, JavaScript, SQL,HTML,CSS
**Developer Tools:** VS Code, Sublime Text,Vim,Atom
**Technologies and FrameWorks:** ReactJS,NodeJS,Bootstrap

## Certifications

- javascript - Udemy
- Command Line in Linux
- MYSQL
- Data Structure and OOP with C++
- Problem Solving Intermediate

## Achievements

- Max.Codechef Rating - 1604 (3*)
- Max.Leetcode Rating - 1429
- Max.Codeforces Rating - 1024

## Languages

- English    - Proficient
- Hindi      - Proficient
- Telugu     - Proficient

## Extra Curricular

- Actively participating in competitive programming contests
- playing Cricket and Chess

## Additional Information

- Good speaker, active listener
- Having dedication to work for long hours
